# **Discussion**

## **Your soon-to-be sanctuary**

I could say that I had to change the top venue of Toronto and New York because Toronto does not have many things to do compared to New York.

# Conclusion

This report may help someone planning living in Toronto or New York by comparing the current offers and neighborhood profiles. However, it may not cover all variables such as access to public transportation or even the cost of living so it shall not be used as a single decision-making tool
